Alarm Monitoring Services

The security industry's only alarm monitoring service dedicated to proprietary customers.

We provide the service, you maintain control.

Instead of locking you up with long-term contracts, we earn your business every day with high quality service, customized to your needs.

VeriConnect UL Listed Monitoring Services gives proprietary customers the unique ability to tailor services that meet their organizations specific requirements. Maintain control, save money. We earn your business through exceptional service, not by forcing you into long- term contracts.

We also provide custom network alarm solutions including proprietary WAN products, as well as our new ***Veri***Connect Alarm over IP products.

This Is *Your* Central Station
